

The Fife Dark Blues Supporters Club

**Membership Brochure
2011/2012**

Dear Member (old, potential or present)

Season 2011/2012 is just about upon us. After the events of last season it is incredible to believe, however, after the fantastic efforts of everyone connected to Dundee FC here we are ready to embark on another hope filled season which will hopefully be successful and see our beloved club back to where it belongs in the top league of Scottish Football.

While the combined efforts of the players, staff and fans should not be forgotten if we wish our football club to be successful it will require all our ongoing support both financially and vocally over the next 12 months.

The Fife Dark Blues are committed to providing that support through attending games at home and running supporter's buses to away games. By fundraising through fundraising evenings, pre match functions, raffles etc so that we can support Dundee FC and local youth football financially through sponsorship and support.

The Fife Dark Blues committee are asking old, existing or potential members for their fantastic continued support. We, as a supporters club together, have given nearly £20,000 either directly or indirectly during the short few years we have been a going concern through sponsorship, corporate membership, platinum membership, season ticket purchases, hospitality, youth football sponsorship and general donations.

Being a Fife Dark Blue member allows you to be part of something much bigger, the unity of being a Dark Blue, a feeling of belonging, a seat at the table of worship beside our forefathers, a saviour of the long term future of Dundee FC.

The Fife Dark Blues Committee, hope that you will either renew or become a new member and appreciate your efforts in helping us secure a future for The Fife Dark Blues and Dundee FC.

Many thanks

The Fife Dark Blues Committee.
